

To whom it may concern

We, **INIM Electronics S.r.l.**,

Via Fosso Antico s.n. - Località Centobuchi - 63076 - Monteprandone - AP - ITALY

hereby declare, that the products:

Model(s): **EDx00, IDx00**

Description: **intelligent analogue addressable (EDx00) and conventional (IDx00) detectors for indoor use**

where "x" is a number with the following meaning

x	Description
1	Optical smoke detector
2	Class P heat detector
3	Multicriteria optical smoke and class P heat detector

Base(s): **EB0010 (standard base)**
EB0020 (relay base)
EB0030 (deep base)
EB0040 (base protected against dripping water)

to which this declaration relates, can be installed with the following environmental conditions:

models ID200, ID300, ED200, ED300 programmed with Class A1R and A2S

-20°C ≤ T ≤ 50°C with 0% ≤ RH ≤ 95%, no condensation or icing

models ID200, ID300, ED200, ED300 programmed with Class B and BR

-20°C ≤ T ≤ 60°C with 0% ≤ RH ≤ 95%, no condensation or icing

models ID100, ED100 (& ID300, ED300 if programmed as smoke detectors only)

-20°C ≤ T ≤ 70°C with 0% ≤ RH ≤ 95%, no condensation or icing

EB0040H 2W heater and **EB0040** base is recommended for low temperatures and high relative humidity.

Monteprandone, 27/05/2013
